

HOMEMAIL

August 26, 2016

Tonight is the night! Catholic Schools Night is finally here! Lourdes Academy, along with our neighboring Catholic Schools will celebrate being part of a much larger Catholic school community. Students that attend the game and wear their Lourdes t-shirt will receive a 'no uniform pass.' I will select a day in the future that students will be able to enjoy their dress down day. Keep an eye out for this announcement in a future Homemail!

Next week we head into week two of MAP testing. The MAP assessment results will be available to us very quickly after completing the testing next week. With that data, teachers will spend Friday, September 2nd dissecting the data and putting necessary interventions in place so that each student is receiving the supportive and challenging education promised by our mission statement. We ask that parents continue to ensure their child arrives on time to school so that these assessments and the learning environment are not disrupted.

I met with our Home & School Association (HSA) this week to discuss plans for our upcoming Fall Festival on Friday, October 28th (SAVE THE DATE!) as well as many other exciting opportunities. I'd like to encourage all parents to play as active of a role as possible in our HSA. This wonderful group of volunteers creates a close-knit environment that work towards ensuring our students, teachers, and school are as successful as possible. Your gifts and talents are greatly needed! The HSA's first meeting will be on Wednesday, October 12 at 5:45 PM in the school media center.

Lastly, each month our school will release a newsletter that will contain some additional information to what is in the weekly Homemail. This month's edition is currently available on the school website under 'Principal's Corner' or you can copy the link below into your browser. Stay up-to-date and check it out! Hope to see you all tonight at the game!

Dear VPK and K Families,

Please note the important reminders:

***All parents must follow the driving path that begins on Chipeway Avenue**

***When you pull into our parking lot from the driving path, please do not park in the spaces closest to our building.**

***Please carefully back out of the parking spot when leaving.**

***Please do not park between the ECC gates. Cars in this area block the view of oncoming traffic for cars exiting our parking lot.**

These rules will be enforced in order to ensure the safety of our students.

Thank you,

The ECC Team
