

Lourdes Academy

A NOTRE DAME ACE ACADEMY

God in all things.

April 26, 2017

Dear Seventh Grade Parents,

We are winding down our year as seventh grade parents. Soon your seventh graders will be eighth graders!

As a tradition at Lourdes Academy, the seventh grade parents are involved in setting up and serving the eighth grade and their families during a small reception after graduation. This reception is small. Finger foods, beverages and cakes will be served. The HSA contributes to the purchase of the food items, but we need the parents to help set up, prepare foods and clean up. If there is a special dish you would like to provide, please feel free. Any and all contributions are greatly appreciated.

Graduation takes place on Tuesday, May 30th at 6:00pm. The reception will take place immediately following.

Please call me (Pete's Mom) at 386-315-7555 if you can help coordinate the event and are able to help give our graduating eighth graders a great send off and give them the reception we would want for our graduates!

Sincerely,

Marlene DiLorenzo
